KENTUCKY FCCLA MEMBERS RECOGNIZED NATIONALLY

(FRANKFORT, Ky.) – More than 6,300 nationwide members, advisers, alumni and guests of Family, Career and Community Leaders of America ([FCCLA](http://www.fccla.org)), gathered in Anaheim, Calif., July 10-14 for the 2011 National Leadership Conference. From Kentucky, 180 members from 28 schools attended.

This year's student-originated theme for the annual national meeting was "Imagination in Action." Throughout the five-day convention, participants examined and discussed several critical issues, including family, school and community violence prevention; physical and financial fitness; future career exploration; and countless community service projects. A number of relevant youth issues, such as the changing roles of men and women in the home and workplace, leadership and obesity prevention also were explored through presentations, workshops and youth sessions.

Kentucky FCCLA members joined more than 3,500 students participating in Students Taking Action with Recognition (STAR) Events at the conference. STAR Events are competitive events that build proficiency and achievement in leadership and job-related skills.

Seventy Kentucky participants received 32 Gold, 26 Silver and 12 Bronze medals in 28 national STAR Events. Medals were presented at a recognition session honoring all participants at the Anaheim Convention Center on Thursday, July 14.
